PRESS RELEASE CONCERNING GATHERINGS ON HANCOCK COUNTY BEACHES

On March 21, 2020, Hancock County Board of Supervisors, and the Cities of Bay Saint Louis, Diamondhead and Waveland each adopted resolutions restricting access to their public facilities, prohibiting gatherings of more than ten people, limiting gatherings of ten people or less, and making restaurants and bars open only for pick up food delivery throughout the County.

The purpose of this press release is to reiterate those restrictions and to make certain that the public understands that all of those restrictions—including without limitation the prohibiting of gathering of groups of more than ten people, and the limitations on gatherings of ten or less people—apply to all beaches of Hancock County. Please abide by those prohibitions and limitations on the beaches of Hancock County as we all work to further protect the public from the threat from Coronavirus 19. Hancock County will be posting signs on the beaches of Hancock County this week to provide additional notice of these restrictions.

Published by the Hancock County Board of Supervisors.

Signed,

**Scotty Adam
Board President**
